WHAT THE EXPERTS HAVE TO SAY ABOUT THE BOOK

Colette Carlson, author speaker and founder of Colette Carlson Communications

I strongly recommend this book for both individual just starting their quest and others well on their path to gain additional insight, awareness and understanding in order to achieve their wildest dreams.

Dr Marshall Goldsmith, PhD

Before embarking on the incredible journey encapsulated within the pages of this book, prepare yourself to change. Because you will change if you follow the steps outlined in this book. Now just follow the steps in *The Game of Life and Success* and prepare for life-altering and transformational experiences in your career, your relationships, and in your organizations!

Byline: Dr Marshall Goldsmith is the million-selling author of *What Got You Here Won't Get You There*, *Succession: Are You Ready?* and the upcoming *MOJO* (February 2010).

Anize van Zyl, Counselling Psychologist

Over centuries people of different cultures have noticed to some degree or extent what we as human beings are capable of once we engage in certain strategies or make certain choices. Ancient wisdom has guided us to where we are today and yet we are still in the process of discovering. In his book, the author combines ancient wisdom with 'modern' knowledge and science and the outcome is sixteen comprehensive steps to personal transformation, with interconnectivity as a golden thread weaving them together. These steps can be applied to any aspect of a person's life in order to create the desired transformation, whether it is self-growth, relationships, or career/business/organisation choices that need to be made.

Dr Jayme Albin, MA. PhD

The Game of Life & Success is good source for anyone aimed at personal transformation where the goal is to unleash a positive focus, encourage continuous growth and exploration, so that dreams which manifest within us can be lived.

WHO SHOULD READ THE GAME OF LIFE & SUCCESS?

Anyone or any group of individuals (this could be a business/organisation for example) who wish to be happy, who wish to enable themselves achieve their realistic goals, overcome their problems or obstacles, reach their chosen future desired state, realise their essence, innate power and full potential, as well as achieve a degree of self mastery, and therefore lead balanced, purposeful, effective, and fulfilled lives.

As natural consequence of all the foregoing is that you will bring about huge positive effects and change in your own life, your interpersonal relationships, careers, and businesses/organisations that you find yourself in. A spin-off from this is that you will bring about profoundly successful businesses/organisations through your people.

BOOK BLURB - ABRIDGED

The sixteen steps in this book will lead you to becoming empowered and to experiencing personal transformation in your relationships and career. Your thinking will be influenced profoundly, resulting in self mastery and happiness. It offers insight into several modern research studies which prove that our thinking, emotions and values affect all aspects of our lives.

You will gain an increasing understanding of yourself and your environment. The sixteen steps will positively affect all areas of your life, relationships, career, and business that you find yourself in. The positive effects will spread in an ever-widening circle like ripples on a pond. Each step is enriched by case studies that reflect some of the following questions:

- Do you listen to and trust your intuition?
- Are you pursuing your passion?
- How could positive and cognitive psychology help you?
- How can you 'control' your brain and generate the results you want?
- Do you choose to direct your life and career?
- What would make your life more fulfilling?
- What about you is unique that you can contribute?
- How do your values and beliefs determine your choices?

This book can take you on a life-altering journey if you CHOOSE to take the steps leading to fulfilment, success and happiness.
