

Welcome to The (W)Right Coaching CC October 2009 newsletter.

I'll be delivering my **Happiness Now talk** at the upcoming "**Look & Feel Good**" **Expo** taking place at the Northgate Coca Cola Dome from 9 to 11 October. For details on my talk and what you'll get out of it, go to http://www.lookandfeelgoodexpo.co.za/events/minute_maid/steve_krummeck.html

The Happiness talk AND Expo are WELL worth it. I look forward to seeing you there!

Over and above the foregoing, I hereby offer two **free talks** to you and your fine organisation. The two talks are the **Happiness Now talk**, and "**The Game of Life & Success – Steps to Self Mastery & Happiness**" Talk.

Empowering my clients to realise their innate power and full potential, as well as achieve a degree of self mastery, is a passion of mine. A natural consequence of the foregoing is for my clients to lead balanced, purposeful, effective, fulfilled lives, AND phenomenal results in their organisations, careers, interpersonal relationships, and lives in general.

Two of my product offerings are The Happiness Now workshop (the only workshop of its kind in South Africa), and "The Game of Life & Success – Steps to Self Mastery & Happiness" workshop. The latter is based on my book of the same title (available in book stores from the end of October 2009). The **Happiness Now talk is based on the Happiness Now workshop** while "**The Game of Life & Success**" talk is **based on my book**.

Some of the **benefits of being happy** are: -

- Persist longer on tasks;
- Select higher goals;
- Produce superior outcomes
- Discover rewards in mundane ordinary events
- Have better relationships with their loved ones, peers, boss, and customers
- Have a bolstered immune system
- Have more energy and activity
- Are more productive and engaged
- Have greater self-control and coping abilities
- Enjoy an upward spiral of success
- Are more likely to accept change

On average, at any given moment in time, only forty to sixty percent of the population is considered as being happy. Therefore the remaining percentage is less likely to enjoy and have the above points.

It's my understanding that your organisation organises events for it's staff from time to time. It's with this in mind that I propose that your organisation arranges two separate events/talks for the staff of your/the organisation. Each event would accommodate one of my free talks.

Reasons why staff (or anyone else for that matter), should attend the talk/s, as well as what they will get out of the talk/s, is available in the two associated brochures. To access the brochures, simply click on the following internet hyperlink <http://www.twrcc.co.za/services-offered-free-talks.html> Once in the website, click on the "Happiness Now" and or "The Game of Life & Success –

Steps to Self Mastery & Happiness" hyperlink. **When you/the appropriate person within your organisation reads the brochures, you're sure to realise both talks will add huge value to your team within your organisation, and therefore the organisation as a whole.**

Feel free to contact me at your convenience to discuss the foregoing further, and or book the talks. The talks are also available to private individuals, business, and government (groups of twenty upwards).
